State of New Jersey Unclaimed Property

Mayor Amato Urges Residents to Check for Unclaimed Property

Mayor Amato would like residents to be aware they may have unclaimed property they may be entitled to and don't know it. The State of New Jersey Unclaimed Property Administration has partnered with other states in an attempt to get unclaimed money back to them or family members. Common types of unclaimed property include: Bank accounts and safe deposit box contents; Stocks, mutual funds, bonds, and dividends; Uncashed checks and wages; Insurance policies, CD's, trust fund; Utility deposits, escrow accounts. "This is a free service and worth a few minutes to check to see if you or a family member maybe entitled to unclaimed property."
